

DIRECTIONS to the new United Way Center – 2010 from Central Ave., Columbus, Indiana

1. Green & White UNITED WAY CENTER signs are posted on Central Ave. light poles close to the flashing light at which you should enter the Cummins property.
2. Turn at the flashing light where you see the Cummins Engine Plant sign.

3. Turn left at the United Way Center sign.

4. Drive 0.3 miles (drive past Gate 5) to new United Way building.
Turn right into Parking area (marked with orange traffic cones).

5. As you walk to the building, there is **NO** need to stop at the guard shack. Walk to the right of the black chain link fence. The building is fully accessible with a ramp.

6. As you enter, you will be greeted by a United Way Receptionist who will guide you to our offices.
